Program Guidelines

Please reference the Bryant Bonus Program Handbook for complete details and guidelines. The 'Financing Reimbursements' do not require the Bryant dealer to share in the cost of the above-listed reimbursements, however, all claims must be filed on www.BryantPromotions.com to be eligible for the product reimbursements. Only products listed on this document are eligible for reimbursements. All product reimbursements, excluding ductless systems, must include the sale of a Bryant-branded thermostat or control. Qualifying thermostat or controls include Evolution® System(SYSTXBB), Preferred™ Series (T6 or ZONEBB) or Legacy™ Line (T1, T2 or ZONEBB). Promotion terms: subject to A) product availability & B) to change or cancellation without prior notice. This document applies to distributor territories that have elected to use either the "No Dealer Contribution" or the "Standard Contribution" consumer rebates. [1]986TB is compatible as a system match with 280ANV Extreme Heat Pump. 986TA gas furnace & 280ANV Extreme Heat Pump are not compatible as a system match (Bulletin BY-103-12-15).
