## Why whole house air cleaners?

- Air cleaner attaches to any forced air heating or cooling system
- Incredible standard MERV 11\* filtration rate
- Maintain high efficiency levels of your HVAC Equipment
- Help protect your family and home from airborne particulates, allergens, dust, and dander
- Cleans the air in your entire home every time your heating or cooling system is on
- Easy filter cartridge replacement

## Why TechPure Air Cleaners?

- Sized for air handlers and furnaces
- R-4.2 insulated cabinet and door
- Low pressure drop (0.181" @ 492 FPM)
- Upgradeable to MERV 15\*
- Utilizes standard size media
- Includes duct/equipment mounting gasket and door cleaner
- Easy filter size identifier printed on door label
