Accessing Product Information

View, download and print a product's description, specifications, wiring diagrams and data sheets and more, when you search for products online, now available in English, Spanish and French!

Description

Carrier® Air Conditioners with Puron® refrigerant provide a collection of features unmatched by any other family of equipment. The 24ABC has been designed utilizing Carrier's Puron® refrigerant. The environmentally sound refrigerant allows you to make a responsible decision in the protection of the earth's ozone layer.

This product has been designed and manufactured to meet Energy Star® criteria for energy efficiency when matched with appropriate coil components. Refer to the combination ratings in the Product Data for system combinations that meet Energy Star® guidelines.

NOTE: Always refer to the AHRI directory (www.ahridirectory.org) for the most up-to-date ratings information.

Real-Time Pricing & Inventory

Locate pricing and inventory for items you need.

Placing An Order

Part Finder   Store Finder   Quick Order

CE   Search item # or name   🔍   👤 Sign Into Your Account

Residential Equipment ⌄   Commercial Equipment ⌄   Ductless ⌄   Indoor Air Quality ⌄   Parts ⌄   Supplies ⌄   Thermostats Controls & Zoning ⌄
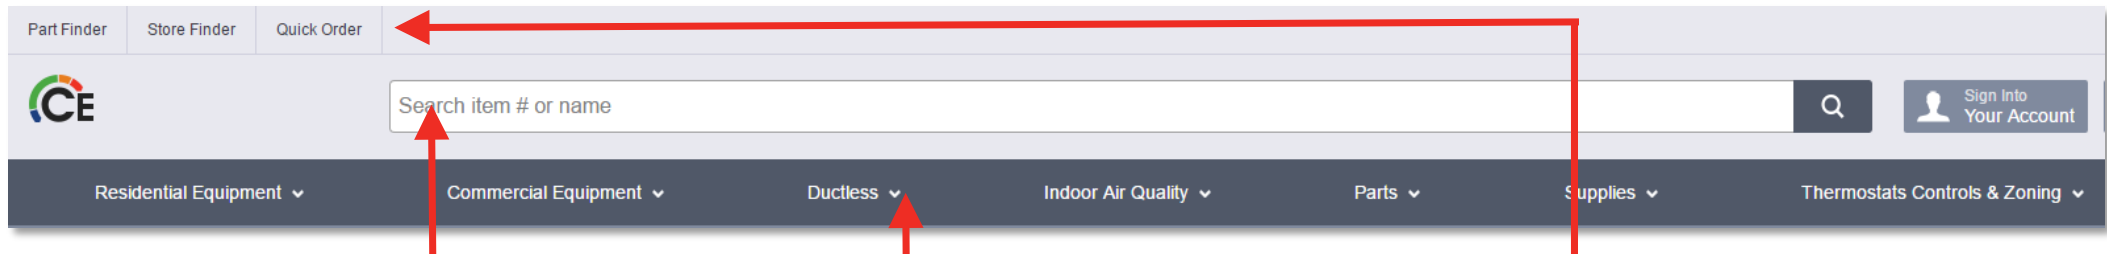

Begin typing the item you're looking for in the search box. Once you've found the product, select the quantity and click add to cart.

Another way to locate items is to browse through our navigation, and use filters to identify exactly what you are looking for.

A third way is to click the Quick Order button at the top of the page to load your product selection as well.

No matter how you search, once you find what you are looking for, click "Add to Cart" to purchase the item.

Add To Cart

Delivery Options

How would you like your order, via Delivery or In-Store Pick-Up?

To select your choice, click the "Delivery/Pickup" Button in the upper right hand corner of your screen, and toggle the switch to select your desired option.

For Delivery, select the "Ship-To" address from the drop down menu.

For Pickup, you will select the CE location (this automatically defaults to assigned location).

Be sure to click "Save + Use Pickup Mode" before exiting to capture your selection.

Checking Out

Once all of your items are in your cart, you can checkout by clicking the cart icon in the upper right corner of your toolbar.

You can then view your cart and/or proceed to checkout.
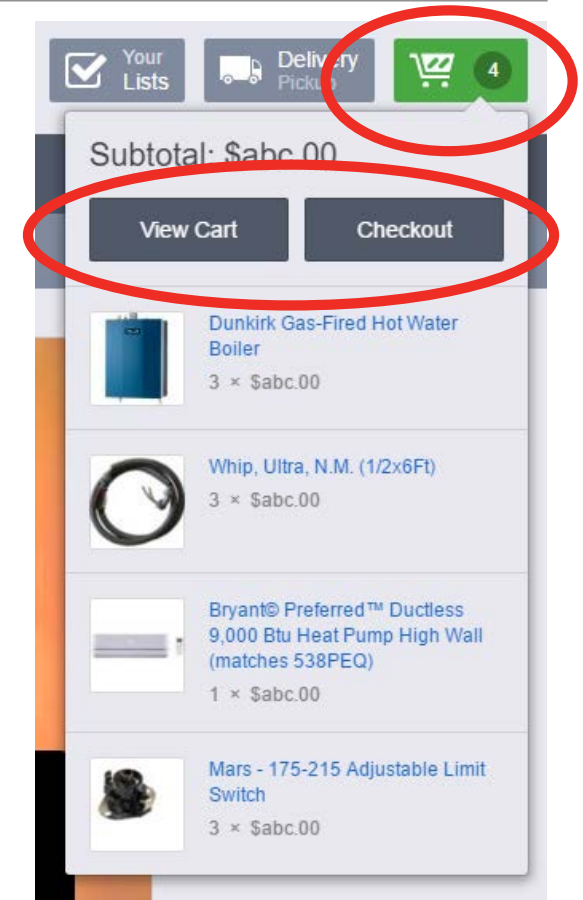

Checking Out

Check out quickly in just a few steps!

1. Billing: Verify your billing information

2. Fulfillment: Confirm delivery method & address.

   Select the option to pick-up/deliver all items at once, or as items are available.

   Select your desired pick-up/delivery date.

1 Billing
