Premier Indoor Evaporator Coils

The Premier Upgrade for Any System...

Introducing Healthy Solutions® Premier Evaporator Coils by ADP. These coils match perfectly with your system, providing an upgrade over standard matched coils.

Built-in plenum flanges with rounded corners for fast and safe installation
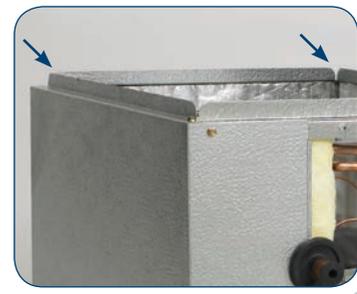

Front panel with only four screws for fast and easy coil access

Non-captive refrigerant lines

TXV with all threaded connections; no brazing required

Optional wrapped bulb factory installed

Intertek lab tested 1% or less cabinet air leakage for better efficiency

Painted cabinet options for furnace color coordination

HydroTEC™ drain pan design for lower water retention

Dual drain connections on each side for ease of installation

Green & red drain pan plugs to identify primary vs. secondary

Improved Air Quality

Microbes can double every 20 minutes on an untreated surface!

Standard plastic pan with visible mold

Plastic pan with Microban® antimicrobial additive

Mold is part of our environment and there are no practical ways to completely eliminate mold spores. The best defense against mold in a home is to prevent it from taking hold through moisture control and the use of mold resistant building materials.

Every Healthy Solutions® coil features Microban® technology, providing added protection against the build-up of mold and mildew within your system!

Lower Height

ADP provides space saving opportunities and a perfect fit with your furnace!
