

Air Conditioner with Puron® Refrigerant

MODEL 114C

LEGACY™
LINE

A Legacy of Trusted Cooling

North America's Trusted Comfort Source

Bryant has a history of doing whatever it takes to deliver trusted quality, comfort and value to millions of homeowners nationwide. Today, with rising consumer awareness of environmental issues and higher energy costs, Bryant proudly offers an answer that eases those concerns while delivering solid, reliable comfort - the Model 114C Air Conditioner with Puron® refrigerant.

The Bryant® Model 114C can save on monthly cooling costs with a 14.0 SEER rating. It helps preserve the integrity of the Earth's ozone layer by using Puron® refrigerant. And, with its Microtube Technology™ refrigeration system, the quiet, reliable scroll compressor, and our tough DuraGuard™ protection package, it provides responsive cooling you can count on, year after year.

Enjoy the Comfort of Trusted Reliability

Relaxing in the comfort of your home is easy with the Model 114C because this is one durable and reliable air conditioner. Durability is built-in with our DuraGuard™ protection package that looks good for years while protecting the outdoor coil from sports and lawn equipment and more. Inside, corrosion-resistant components and compressor-protection features help ensure this air conditioner delivers comfort when you need it.

In addition, the Bryant® Model 114C provides the peace of mind that comes with choosing a system developed by a company known for its commitment to customer satisfaction. From initial design through product testing and an assembly process that includes our 5-step, 100% run test, we go beyond the industry's expectations for quality and reliability to be sure that every unit we make measures up to even tougher standards – yours.

Peace of Mind

Having a great warranty helps you enjoy your comfort with confidence. Bryant builds trusted reliability into every product, then provides additional peace-of-mind with excellent warranty protection.

To the original owner, the Bryant® Model 114C air conditioner is covered by a 10-year parts limited warranty upon timely registration of your new equipment.† Ask your Bryant dealer about extended service agreements.

† Warranty period is 5 years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive a 10-year parts limited warranty. See warranty certificate at Bryant.com for complete details.

Performance

Control Your Comfort

Take control of your comfort with the Bryant® optional Housewise™ thermostat. Professionally installed by your trusted Bryant® dealer, the Housewise thermostat is your gateway to average heating and cooling energy savings of 20%.*

HOUSEwise

* Based on a 2012 third party study comparing Bryant Housewise™ technology to the estimated cost of a non-programmable thermostat set to 72° F at all times.

Feeling Good About Feeling Comfortable

With the Model 114C, you join the growing ranks of homeowners who choose Puron® refrigerant. Bryant's environmentally sound refrigerant keeps you cool without depleting the Earth's ozone layer.

In addition, the Model 114C inspires the confidence of owning a system developed by a company committed to customer satisfaction.

From initial design, through development testing and our 5-step, 100% run test during assembly, we go beyond the industry's expectations for quality to be sure that every unit we make measures up to even tougher standards – yours.

Home Comfort Components

- 1 ENVIRONMENTALLY SOUND**
Our scroll compressor is designed for use with environmentally sound Puron® refrigerant to provide quiet comfort and years of energy-efficient performance without depleting the Earth's ozone layer.
- 2 RELIABLE PERFORMANCE**
The Bryant® Microtube Technology™ refrigeration system with copper tube/aluminum fin coil maximizes transfer of heat outside your home to ensure cooling efficiency. Coil materials and design minimize chances for rust and corrosion for lasting performance.
- 3 LASTING COMFORT**
A filter drier protects the unit's most important single component: the compressor.
- 4 BUILT TO LAST**
The Bryant DuraGuard™ protection package ensures lasting durability and good looks through years of exposure to weather, sports and lawn equipment and more. Three key elements to this package include: galvanized steel cabinet, baked-on powder paint and wire coil guard.
