www.brinmar.com sales@brinmar.com

Brinmar bottom-vented covers are by far our most popular style. To prevent condensation, covers are 1/2" to 2 inches short to provide air flow at the bottom of the unit. Gray covers (P161xxxx) are for Carrier units. Beige covers (P162xxxx and P166xxxx) are for Bryant, Payne, and Day and Night units. See below for cover part numbers.
