TOTALINE® ECM FLEXPSC UPGRADE FOR PSC

Upgrade Existing Furnace to
More Energy Efficient ECM Technology

Easy Install

Connects directly to standard PSC furnace and air-handler boards—fits wide variety of direct drive blower motor applications

- 2 Multi-HP Models Available
- Dual Voltage 115-230V Single Phase
- High Efficiency Design (ECM is 82% efficient versus standard PSC at 60%)
- Upgrade to Constant Airflow with these Benefits:
 - Helps with better air filtration
 - Allows for additional IAQ solutions
 - Provides more even temperatures in the home, reducing room temperature differences by 3"-6"

What if you could earn valuable rewards — simply by purchasing industry-leading HVAC parts, supplies, and ductless equipment?

Thanks to CE Rewards, now you can!

At CE, we place great value on your loyalty to our brand, and we appreciate the opportunity you give us to supply you with industry-leading HVAC products. We also believe in rewarding your commitment to working with us. And that's why we are so pleased to introduce you to **CE Rewards**.

CE Rewards allows you to earn valuable points for each qualifying purchase you make — either online or at a CE Sales Center. Once you're enrolled in the program and logged in to your CE account, qualifying items will be noted with a points value — so you can calculate your earnings while you shop!

But that's just the start. With **CE Rewards**, your earning power grows based on your cumulative purchase dollars throughout the year. You'll earn more **CE Rewards** Points with each new level you achieve.

Buy more, Earn more!

Upon enrollment, you will automatically* start earning **CE Rewards** Points with each qualifying purchase you make. But you have the power to double and quadruple your earnings as you "level up" — an achievement that promises to be incredibly rewarding!

*Point earnings will happen automatically with qualifying HVAC parts, supplies, and ductless equipment purchases — no need for you to complete any paperwork or submit any additional information. So simple!
