**PROMOTION DETAILS**

Eligibility: Homeowners in the U.S. and Canada are eligible for the Bryant Bonus promotion. This promotion applies exclusively to residential, add-on replacement purchases during the qualifying period. Commercial applications, new construction applications, new construction upgrades, multi-family applications, or investors or investment properties **are not eligible** for this promotion.

Only Bryant systems or units purchased from participating dealers between August 27, 2018 and November 15, 2018 and installed by December 15, 2018 are eligible for the Bryant Bonus rebate. This promotion is not retroactive for Homeowners who purchased qualifying equipment prior to August 27, 2018.

All claims must be processed by 6:00pm CDT on December 15, 2018 in order to qualify for the Bryant Bonus rebate. For Instant Rebates, Bryant Factory Authorized Dealers (FADs) must log on to [www.BryantPromotions.com](http://www.BryantPromotions.com) to submit the rebate information and upload a copy of the corresponding invoice prior to the claiming deadline in order to receive the rebate. If the required information is not received by the deadline, this claim will not be processed.

Rebate Offer: Homeowners can receive a rebate on the purchase of a qualifying Bryant system or qualifying Bryant unit. Multiple rebates per household may apply. Please use one form per system rebate. These offers are not valid with any other Bryant factory-sponsored rebates. Your Bryant dealer may provide additional offers at the local level such as financing, service agreements, or added rebates. Ask your Bryant dealer for more information. For rebate amounts and qualification, please contact your dealer. No substitutions will be accepted. Promotion terms subject to (1) product availability and (2) change or cancellation without prior notice.

**Bryant is not responsible for incomplete submittal of claims via [www.BryantPromotions.com](http://www.BryantPromotions.com). Bryant will not process claims or pay rebates after the December 15, 2018 deadline.** For questions or issues regarding your Bryant system, please contact your Bryant Dealer who installed your Bryant equipment.

Privacy: This program involves the collection of various types of Homeowner information. By participating in the Bryant Bonus promotion, you understand and acknowledge that Bryant collects the Homeowner information for among other things, market research studies, reports and direct communications.
