Disclaimer: CE Delivery Express is available to all CE customers with an active account by notifying a CE Associate it is Delivery Express. CE Delivery Express transaction can be processed through the Call Center and Online by mentioning Delivery Express to the Customer Care Representative or checking Special Handling at Check Out. CE Delivery Express is defined as a one-way delivery service to a specified location (i.e., job site, home, office, etc.) with specified estimated delivery identified by zone. Your CE Sales Associate will identify the zone you are in based on radius from CE Sales Center to the delivery location. Maximum load is 300 lbs. Any products that are Commercial application above 300 lbs. are not eligible for this service. The charges will be communicated and charged to the dealer's account or credit card at time of purchase. If an account is COD, payment must be made at time of purchase. No payment will be collected by the driver. If the contractor is not present at time of deliver, the driver will not leave the item. This will result in 2 charges to the dealer: 1 charge for going to the delivery address and another for bringing the product back to the CE location. The delivery driver will only assist the contractor with the item(s) off of the vehicle, after that, it is the contractor's responsibility to transport the item(s) to their final destination
