

IT'S SMART BUSINESS TO BECOME A PARTICIPATING CONTRACTOR

Boost Sales and Help Customers Save Energy & Money

Con Edison HVAC Gas Rebate Program

Benefits

As a participating contractor, you can:

- Get instant discounts on eligible equipment
- Learn about the benefits of the qualifying energy-efficient equipment
- Choose to keep the incentives or pass them along to your customer to close the sale
- Build relationships with customers while helping to improve their home and save energy and money
- Increase your company's visibility by being listed as a participating contractor on:
<https://coned-findacontractor.icfwebservices.com/>

To learn more about this program visit:
conEd.com/BecomeAContractor

Some restrictions may apply. Contractors must notify customers that they are participating in a Con Edison energy-efficiency program.

FOR DETAILS

**CE is proud to partner
with Con Edison on their
HVAC Gas Program.**

How It Works

IT'S SIMPLE: just **ENROLL** and **PURCHASE** qualified, high-efficiency HVAC gas equipment from Carrier Enterprise.

Then **SELL** and **INSTALL** to eligible Con Edison gas heating customers within the service area.

turn to the experts™

Program Eligibility

- All customers within the Con Edison service territory are eligible (property Zip Code/account # required).
- Equipment must be verified as eligible at time of sale.
- All systems must be AHRI-matched.
- New York State HVACR License required
- Certificate of Insurance required
- CE Account in good standing (required in order to receive the incentive)

GET ENERGIZED & INCENTIVIZED

Earn on qualified, high-efficiency HVAC Gas equipment from Carrier Enterprise

cenortheast.com/conEd-rebate

Earn up to
\$200.00*
per unit!

*On install of a Hydronic Boiler, AFUE \geq 90%

HVAC Gas Equipment	2019 HVAC Minimum Efficiency Requirement	Incentive
Furnace	AFUE \geq 94%	\$200 per unit

Wi-Fi Thermostats*	Controls natural gas heating equipment	\$25 per unit

* Limit of one thermostat rebate per customer account.

HOW TO CLAIM YOUR REBATE

After submitting a claim for every qualified install - CE will confirm the purchase, Con Edison will verify the install and a credit will be issued by Con Edison to your CE account.

- Setup your profile by registering [HERE](https://coned-cpa.programprocessing.com) <https://coned-cpa.programprocessing.com>
- Once enrolled submit your claims [HERE](https://midstream-coned-hvac.programprocessing.com) <https://midstream-coned-hvac.programprocessing.com>
- You will need info about your customer's qualifying job, the CE invoice, and some basic equipment info.
- Rebates will be credited to your CE account from ConEd in about 6 to 8 weeks.

Some restrictions may apply. Contractors must notify customers that they are participating in a Con Edison energy-efficiency program. This program is valid thru 12/31/19 or until funds are exhausted. Incentive amounts are not guaranteed and are subject to adjustment at any time by Con Edison and Carrier Enterprise based on compliance with requirements of the Program, changes in incentive budget, or other factors that may arise during the Program year. Incentive options and program may change without notice.
