## Filter Base Product

- 22 gauge galvanized steel construction
- Lift access door, no furnace panel or door to remove
- Magnetic locking door with chrome knob
- Hinged embossed door for a tight seal
- Accepts standard size filters
- Chamfered corners for safe handling
- Removable rails to accommodate both 1", 2" or 4" filters

1" Filter Series  
Height 2-7/8"  
Handles 1" filters
