

FOR INDUSTRY PROFESSIONALS

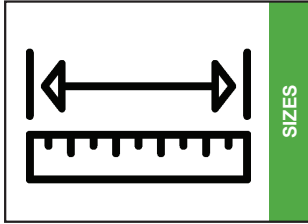

# CABLE CLAMPS

## Features and Benefits

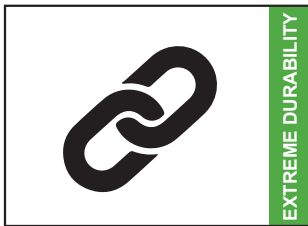

SCREW HOLE DESIGN

Cable clamps feature a screw hole designed to securely wrap the clamp and allow you to mount cables, rope, or bundles of wire to a surface.

SIZES

Clamps are available in natural nylon in sizes of 1/4", 3/8", and 1/2". Clamps are available in vinyl-coated galvanized steel in sizes of 1/2" and 3/4".

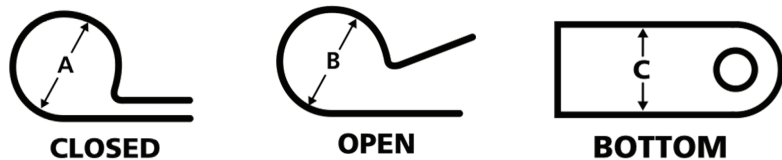

EXTREME DURABILITY

Trade Pro Vinyl Dipped Cable Clamps are dipped in black vinyl and are made for extreme durability even under the harshest conditions.

### Why Sell TradePro Cable Clamps

Trade Pro Cable Clamps are manufactured to be slightly open, making it easier to insert a bundle of wires or cables while keeping them in place for mounting.

Trade Pro Cable Clamps provide a secure hold when used to mount bundles of cables, wires, or ropes to a wall or panel.

The vinyl coating on the vinyl dipped clamps protects the wires while the galvanized steel lends strength to any project.
